

The City of New Lisbon (pop. 2,598) is accepting applications for a Director of Public Works to oversee the City's Public Works, Water, Sewer, and Electric Departments. Responsibilities include supervising seven employees, managing day-to-day operations, coordinating capital projects, and maintaining budgets. Duties include oversight of streets, storm water systems, water and sewer utilities, and the electric utility, as well as coordination with engineering consultants. The ideal candidate will have strong leadership, budgeting, and problem-solving skills, along with excellent communication abilities to oversee the maintenance of City facilities, including buildings, parks, and infrastructure. At least five years of upper management experience in public works or utility operations or a bachelor's degree in engineering is highly desirable. Salary is dependent on qualifications.

For questions or an application, please call (608) 562-5213. Applications, including a resume, references, and salary requirement can be mailed to City Clerk, 232 W. Pleasant Street, PO Box 218, New Lisbon, WI 53950, emailed to [nlclerk@mwt.net](mailto:nlclerk@mwt.net), or hand delivered by 4:00 PM on July 9, 2025.
